SOCIAL MEDIA

We have been working very hard in improving our advertisement through social media, we advertised a Black Friday - 10% off as well as other important dates through November - we even included a tiktok of Gemma getting caught in the rain with a broken umbrella - Annie conveniently had her phone camera ready....

We would obviously appreciate any support from our team (you) - please like, follow & share our posts on instagram, facebook, tiktok, twitter ect and if you have any ideas or suggestions - **please let Annie know**. If anyone would like to participate in our social media, they can and will be paid their time (if staff) or given time to use for their care (if clients).
